Private

Loss of trajectory

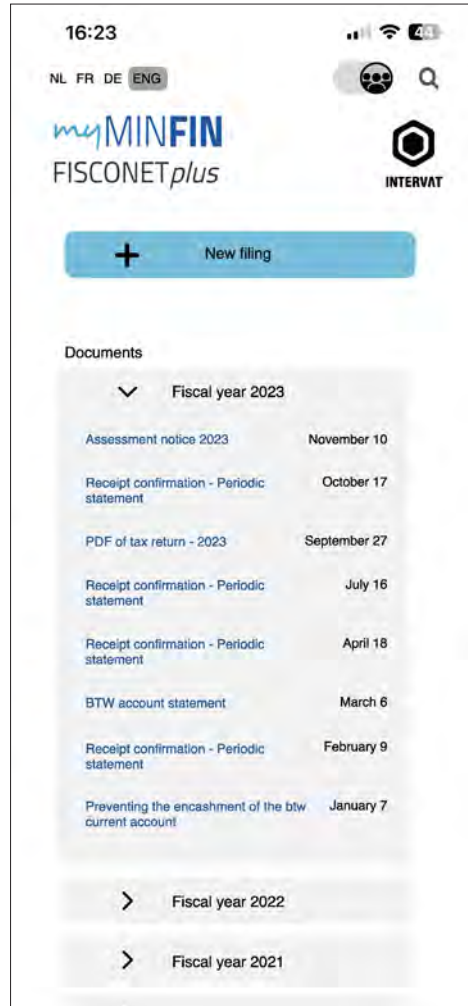

Solution

Option that allows users to easily retrieve their previous interactions

Solution

Data entry process by using search code method, to bypass unnecessary sections

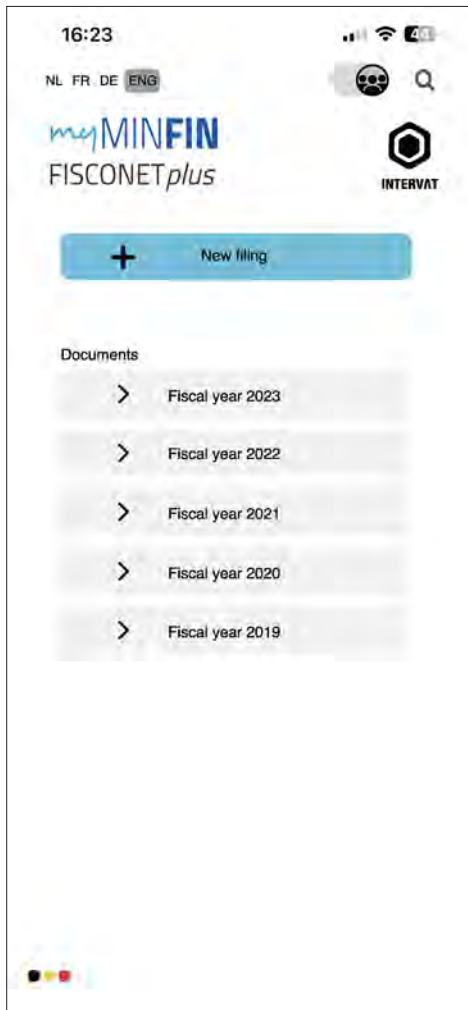

Solution

Documents are now found per category and financial year instead of a separate documents category

Professional

Too much to fill in

Solution

Search function for codes to locate and modify without unnecessary actions

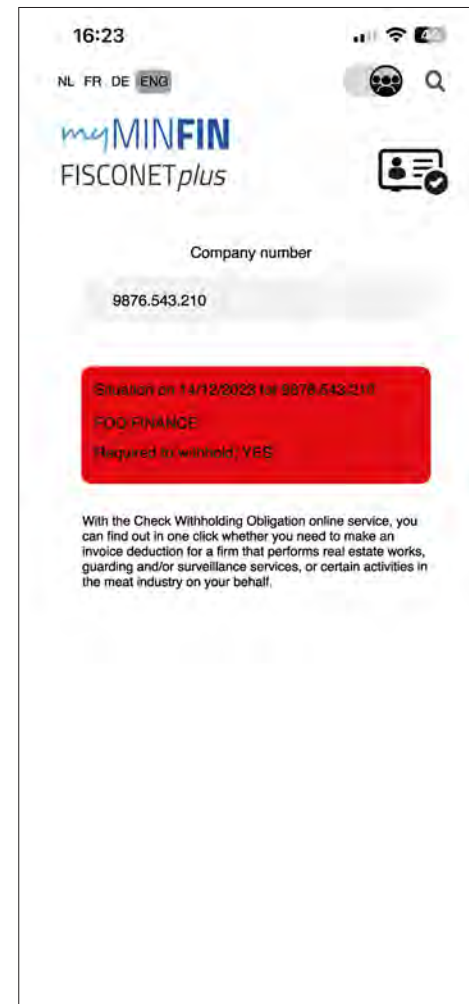

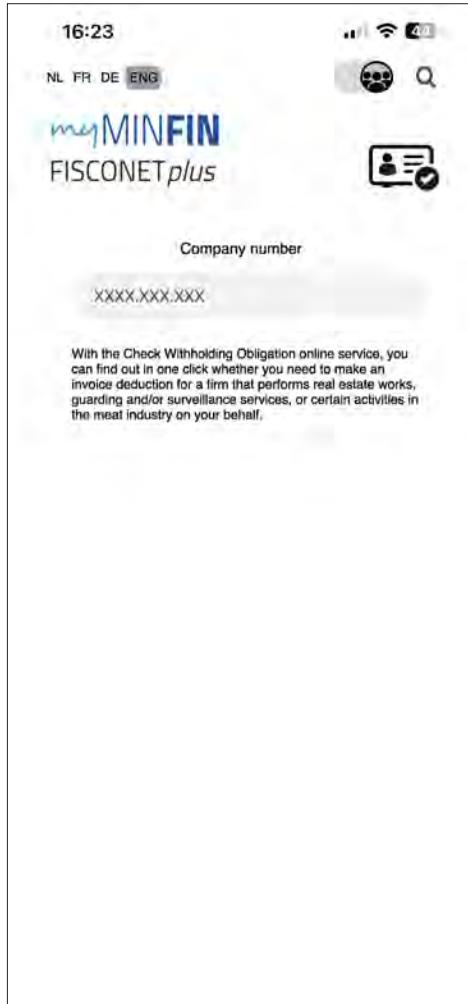

Solution

Search function for codes to locate and modify without unnecessary actions

Professional

Unnecessary Data Entry

Solution

Personalized/customized fill-in option and color-coded outcome
